### Does this site look familiar?

Heads up, 2025 show season—FRC is upgrading our show management software to the fantastic Event Entries system! This will be a new way for us to collect entries, curate orders of go, handle scoring, and manage stabling.

The new system will be rolled out for our March show. We know this might be a bit of a bumpy transition, so we appreciate your patience. We'll be releasing videos on how to enter, and we'll update our volunteer training to include the new scoring procedures.

We'll still be accepting club bucks as usual, just with a slight modification. If you have any questions, don't hesitate to reach out to us at [frcshows@gmail.com](mailto:frcshows@gmail.com)—we're here to help!

# TRIVIA NIGHT FUN!

FRC's first Trivia Night was a successful and raucous affair on Feb. 27, with space maxed out at FENCE House at 80 attendees and many more wait-listed. There were 15 teams with four-to-six members. The devious minds of Anne Bandes and Margaret Freeman concocted the questions, aided by board members as score keepers plus set-up and clean-up crew. Many potential new club members attended and signed up. In the final results, only one point separated the first and second-placed teams. Save the date for the next Trivia night on June 11th!

The winners were:

First: Team Mutton Withers

Bette Mann

Deborah Anderson

Knutur Berndsen

Cerice Berndsen

Jennifer Gruhn

Second: Team Derby Dames

Tara Boyce

Laura Eyre

Lori Brock

Teri Byron

Andrea Zynda-Weiss

## MEET A MEMBER

My love of horses began when I was a little girl. I went to a horse camp, and that was it - I was hooked. During my youth, I had the opportunity to take some lessons, and this turned into a passion that lasted a lifetime.

When my husband and I moved to New Hampshire, we bought a house with some land, and I thought maybe I could finally have a horse. It was then I found my first heart pony. She was a large Appaloosa named Snow. This horse was magical. I was still a beginner, but together we learned so much and had wonderful adventures down many dirt roads. When we moved to North Carolina, Snow came with us, and our riding and adventures continued. At 32, she passed away peacefully at Encore Stables after a wonderful 22 years together.

A new trainer, Molly Herson, began teaching at Encore Stables and brought her amazing wonder pony Huckleberry "Huck". He and I have been partners for the last 6 years. Huck has stood by my side through two broken femurs and a hip replacement, and every time I come back stronger and more dedicated. At 70, I continue to compete with Huck in dressage at FENCE, and at home, we have started to jump again. Huck and I love to go to FENCE.

Favorite Food:  
New England Lobster and Ribs

Favorite Music:  
I love to listen to country music while driving to the barn.

Favorite non-horsey thing to do:  
When I am not riding my sweet Huckleberry, I love to shop, especially to bargain hunt.

Favorite thing about FRC:  
It is a lovely and friendly atmosphere where we hand out with old friends and make new ones.

# MEET A MEMBER: KATIE LEMERISE

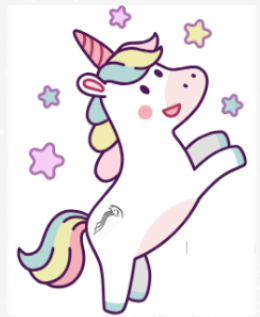

The three people I admire the most in the horse world are my trainer, Molly Hernon, Stephany Fish Crossman, and McLain Ward.

My trainer, Molly, is the best trainer I have ever had. After I broke my femur (twice, but not riding accidents), she always found a way for me to ride. There were times when my walking was not great and I was struggling, but Molly always helped me get on my sweet Huckleberry and have horse time. Without Molly and Huck, I would not be where I am today. I am truly blessed to have them in my life. We are on this journey until the end, and it won't end for quite a while.

I have learned so much from Stephany Fish Crossman. It amazes me how small changes in body position can improve riding so much. I am so proud to ride for her.

I have watched McLain Ward for years, and he amazes and inspires me.

**Buster & Sheryl McLaury 4-day Horsemanship clinic May 2 - 5, 2025.  
2022 Double J Arena, 445 Lockaby Rd, Pendleton, SC 29670**

Do you ever feel like your horse is walking on you or pushy in the stall or aisle? He won't stand still at the mounting block or possibly ignores your aides. You may have a sense of dread if the wind picks up and your horse ignores you when you are on the ground or in the saddle? I have felt all of those things and sometimes it gets dangerous. I learned that they are ways my horse is ignoring me and taking over leadership.

Buster and Sheryl can help you and your horse with those types of problems and show you how to be the leader your horse needs. Life gets so much better when I became the leader or alpha horse with my horses. I continue to build on that relationship and it makes riding so much more enjoyable.

Buster McLaury and his wife Sheryl met Ray Hunter early in their career. They attended clinics and learned from him. They adopted the principles Ray taught and incorporated them into their own horsemanship discipline. Over the years they have traveled across the US teaching and giving clinics and sharing what they have learned from Ray Hunt and from their experience.

Buster and Sheryl will be teaching a 4-day clinic in Pendleton SC. Their horsemanship clinic is aimed at any horse and rider no matter the discipline. I have been riding with them for many years. They have changed the way I think and ride. My relationship with my horses has improved so much and continues to grow.

9:00 AM - 12:00 PM Horsemanship 2 (build on groundwork and riding skills with the goal of very light riding aids)

1:30 PM - 4:30 PM Working Horse Versatility with Cows (build confidence in the horse that carries over to everything else the horse does)

5:00 PM - 6:30 PM Ranch Roping (learn to become handy with a rope and roping skills. Fun and useful skills!)

Audit \$30/day.

# FRC Scholarship Application

The Foothills Riding Club (FRC) offers up to 4 scholarships annually for current members, aimed at supporting specific educational or competitive opportunities (not for regular lessons or local shows, but for championship events).

Scholarships are announced in the newsletter and on social media. The Board will select the recipients and determine the scholarship amounts. To be eligible, applicants must have logged a minimum of 4.5 hours of volunteer time with FRC. Scholarship recipients are required to "payback" their award in some way, such as by writing an article for the newsletter, speaking at a monthly meeting, etc.

Each member is eligible for **one scholarship per year**.

Applications must be submitted at least **6 weeks before** the proposed event. T

The scholarship award amounts are based on the number of volunteer hours logged with FRC:

- **4.5 hours** = \$250
- **9 hours (full day)** = \$500

A total of **\$2,000** is available each year, with a **\$500 cap** per scholarship recipient.

If there are more than 4 applicants, volunteer service to the club in the current and preceding membership year will be taken into awarding scholarships.

Applicants will be notified of acceptance after review by the FRC Board.
