AUGUST 2026

FRC is getting ready for an exciting fall lineup! (yes, fall is around the corner)

Behind every show, every ribbon, every photograph, and every successful event is something even more important: our volunteers. From setting up rings and checking stalls to scoring, scribing, stewarding, running awards, providing hospitality, taking photographs, and keeping the day moving, our volunteers are the people who make FRC events happen. Take a look at some of them in action on pg. 11.

HELMET STRAPS

Submitted by Margaret Freeman

There's a USEF rule about the chin straps on helmets that doesn't seem to get much notice unless a problem arises, that the "harness must be secured and properly fitted. Any rider violating this rule must immediately be prohibited from further riding until the headgear is properly in place." (DR 120.1.1)

That can mean that if the chin strap comes loose, or is even just dangling below the chin, the TD or judge may ask the rider to dismount and fix it. If this happens during a test, it could mean disruption of the performance or maybe even elimination.

If the buckle comes loose, the best solution is to stop and refasten the strap, before it comes to the attention of the judge, and then just continue the test. In this case there likely wouldn't be any penalty, but the judge would have to decide given the circumstances. One reason helmet buckles come loose at a show is that headsets used in warmup are removed before starting the test. If the rider and her coach are too rushed, the buckle may not be seated properly again.

However, a more common instance is that straps simply loosen over time and start to dangle without anyone really noticing until you get to a show and get dinged by the judge or TD. There's no grey area with this – if you show up for a test with a harness that has slipped down, or if the buckle has come apart, you will be in trouble.

Dear Natalie,

On behalf of the Equine Land Conservation Resource (ELCR), I would like to thank Foothills Riding Club for continuing to be a vital part of our team as a **Conservation Partner**! Your support—combined with that of our other dedicated **Conservation Partners**—plays a powerful role in protecting the equine lands, facilities, trails, and competition venues we all cherish. With your organization's support, ELCR can continue delivering educational programming and outreach the equine community relies on when navigating complex horse land issues.

Here are just some of the activities that your continued partnership will help support this year:

- **Engaging Educational Webcasts:** Hosting live webinars on important equine land conservation topics, with archived recordings available to the broader equine community in our online resource library at www.elcr.org
- **Expanded Online Resources:** Updating and growing our trusted online library across six core conservation areas to help communities address local horse land challenges. View the latest additions at www.elcr.org/whats-new..
- **Personalized Community Support:** Responding to emerging local needs by providing professional one-on-one counseling and technical assistance to individuals, organizations, and communities working on equine land issues.
- **Stronger Local Partnerships:** Expanding collaborations with local organizations addressing equine land concerns in their communities.
- **A Growing National Network:** Continuing to build a nationwide network of local action organizations advocating for horses and horse lands while sharing best practices and success stories.

Thank you again for choosing to remain part of ELCR's growing team. Together, through the **Conservation Partner Program**, we are helping protect endangered horse lands and ensuring that horses remain a vital and enduring part of the American landscape.

With sincere appreciation,

FRC Scholarship Application

The Foothills Riding Club (FRC) offers up to 4 scholarships annually for current members, aimed at supporting specific educational or competitive opportunities (not for regular lessons or local shows, but for championship events).

Scholarships are announced in the newsletter and on social media. The Board will select the recipients and determine the scholarship amounts. To be eligible, applicants must have logged a minimum of 4.5 hours of volunteer time with FRC. Scholarship recipients are required to "payback" their award in some way, such as by writing an article for the newsletter, speaking at a monthly meeting, etc.

Each member is eligible for **one scholarship per year**.

Applications must be submitted at least **6 weeks before** the proposed event.

The scholarship award amounts are based on the number of volunteer hours logged with FRC:

- **4.5 hours** = \$250
- **9 hours (full day)** = \$500

A total of **\$2,000** is available each year, with a **\$500 cap** per scholarship recipient.

If there are more than 4 applicants, volunteer service to the club in the current and preceding membership year will be taken into awarding scholarships.

Applicants will be notified of acceptance after review by the FRC Board.

I wish to apply for an FRC Scholarship for:

Name: _____

Address: _____

Phone: _____ email: _____

Specific Purpose for Scholarship Request (include name, date, place)

How will you benefit from attending this event?

How will you "pay back" your scholarship to the club? Creative ideas welcomed!

**Please submit your application to:
FRC President PO Box 637 Landrum, SC 29356**

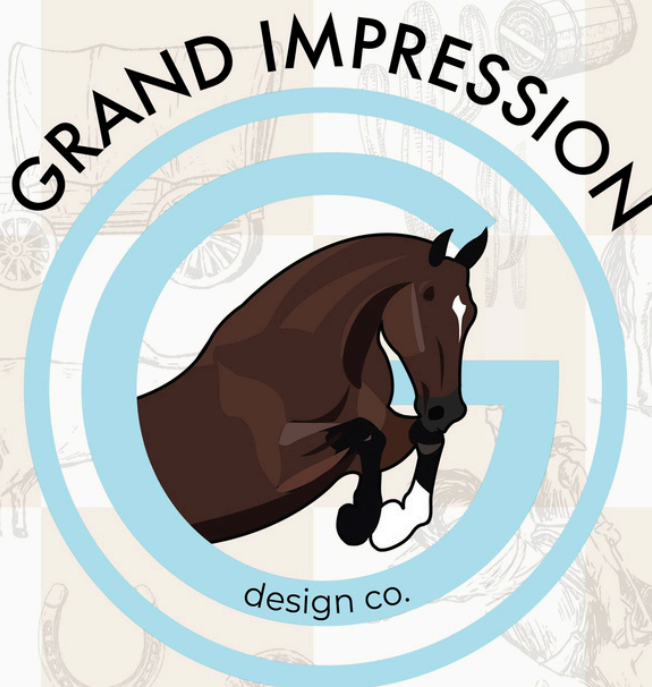

Note: In the event that you are unable to fulfill the scholarship requirements the scholarship money must be returned.
